

# COAST DOG PRESS IS ALL UP IN THE AIR

Bookstores —email us [-coastdog2@shaw.ca](mailto:-coastdog2@shaw.ca) - for our online catalogue.

Have you been to an airshow recently and counted the numbers attending? Do you think those thousands of people read books on their favourite subject? How about those who line the airport fence every day? Significantly, our books aren't about airplanes, they are about people in airplanes like you, me and the pilot up front- where are they going, doing, and what happens along the way?
